

JENNIE LENMAN

JOURNALIST / CONTENT PRODUCER / PRESENTER & MC

ABOUT

Jennie has years of experience as a broadcaster in community, commercial and public media as a presenter, producer, journalist, TV production coordinator, panel operator, audio editor, volunteer manager and copywriter. She has a strong network of diverse contacts in politics, community groups, environment, literature and arts. Jennie is passionate about creating social change through the power of story-telling and engaging with her audience on a personal level. Thanks to a previous life in administration, she is also very organised.
